Tiger Basketball
Camp Philosophy

Our camp is skill driven. The teaching focuses are on basketball skills and life skills. The basketball skills include:

- Shooting**
- Lay ups
- Spot shooting
- Off the dribble
- Dribbling**
- Passing**
- Ball Handling**
- Individual Defense**
- Team Defense**
- Rebounding**

5 on 5 league games will be played daily with a tournament capping off the week. Individual competitions, by grade, will be held to give the campers an opportunity to demonstrate their skills.

The 2010 camp theme is "The right kind of toughness—strength of character."

"The right kind of toughness—strength of character—ought to mark the man of today . . . but not only that. Tenderness—gentleness—is equally important.

Our goal is balance . . . always balance. Not either-or but both-and. Not just tough. That alone makes a man cold, distant, intolerant, unbearable. But tough and tender . . . Gentle, thoughtful, teachable, considerate."

-Charles Swindoll
